PIVO

AHOJ!

We serve a traditional unpasteurized czech pilsner from the brewery Únětický Pivovar just outside Prague.

To make sure the beer stays fresh until it gets into your glass, we transport it in refrigerated trucks directly to our cool store in Malmo.

We have been trained in the art of pouring beer in the hometown of pilsner, Plzeň. Our standard pour is called *hladinka* which gives the beer a wet and creamy head. We also do two other pours, *šnyt* and *mlíko*.

We put a lot of love and care into how we handle and pour our beer since it's the brewmaster who *brews* the beer, and the bar who *makes* it!

Sládek pivo *vaří*, ale výčepní ho *dělá*!
